Talking:

God blessed our love.

Even in the morning, when I rise, I say

God blessed our love.

And every morning, when I rise

I can just see heaven all, all in your eyes

Makes me know this is not an everyday love, no, no

We've got something I'm sure we can be proud of

Oh, we've got so much, so much love

We've got so much, so much trust

Can't you see a halo, a halo, I can see a halo hovering
over us

Chorus:

oh I just can't believe it baby but,

God blessed our love,

I have to say it this evening that

God oh God blessed our love

if you've got something to be thankful for

you oughta just say, hey, hey, hey,

God blessed our love,

I have to say it this evening

God oh God blessed our love oh yes he did

Let me say I could just stand up and tell the world, oh
baby

That you're mine, all mine, ah yeah

You love is heavenly designed

And I just have to say that I like kissing you

I like, I like hugging you

I like squeezing you, wanting you, holding you, loving
you

I'm glad I'm still lovin' oh baby

Let me say when people, yeah, people, yeah, start to
criticize

Well it don't bother me, no, no,

Cause I know God, God, God is on our side

yes he is

Chorus:

let me just say

God, God blessed our love
I have to say that God oh God blessed our love
(Until Fade)
