If I were you, I'd write a letter
I'd tell the world just how I feel
If I were you, I'd make it better
And as the world just watch the [Incomprehensible]

You know it's true
I do love you
Hold on, hold on
And I'm still your right
Babe, day and night
Hold on, hold on

If I were you, I'd change my heart
And I'd never leave, never leave you
If I were you, I'd write a letter
Before this day, this day is through

I know you're a

If I were you, I'd write a letter
I'd tell the world just how I feel

If I were you, I'll make it better
And as the world just watch the [Incomprehensible]

I know you're right
All day and night, oh no
Hold on, hold on, babe
I know it's true
I do love you, oh baby
Hold on, hold on

If I were you, if I were you
If I were you
If I were you, if I were you

Oh yeah
If I were you
If I were you
If I were you, oh baby, if I were you
If I were you, I'd hold on

If I were you, if I were you
If I were you
If I were you, I'd walk right
Talk right
