I know Jesus, He will fix it for you
For He knows just what to do
Whenever you pray, let Him have His way
I know Jesus, He will fix it for you

Jesus, He will fix it for you, yes He will
He knows just what to do
Whenever, whenever you pray, let Him have His way
I know Jesus, He will fix it for you

Let me tell you, let me tell you somethin'
Jesus, He fixed it for me, yes He did

He knows, knows just what, what I need

Do you hear me? Whenever you pray
Let me just tell you let Him have His way
I know that Jesus, He will fix it, He'll fix for you
Oh, yes He will

Hey Jesus, Jesus He will fix it, I know that
Jesus He will fix it, I know that

Jesus He will fix it
Jesus, He will fix it
Jesus, He will fix it
