I started to write  
This song about you  
And then I decided  
That I would write it  
All about love

And it appeared to me  
That you wasn't happy  
And that's for sure  
Positively, that's what  
The world is made of

So give me more L-O-V-E, love  
Love is a walk down Main street  
Love is an apple that is so sweet  
Love is something that can't be beat  
L-O-V-E is strange to me, oh

I can't explain this feeling  
Can't you see that  
Salvation is freeing  
It's all in the heavens  
Can't you see you can  
Always depend on me  
To give you love

Love is a flower in my soul  
Love is a story that  
Just can't be told  
Can't you feel it  
Burning more and more  
Stop and look at the  
Big wheel roll

I can't explain this feeling  
Can't you see that  
Salvation is freeing  
I would give my life  
For the glory just to be able  
To tell the story about love

I didn't mean to make you mad

A sweet story, I thought I had  
But maybe time will bring us together  
And I can be such a happy fella

About love  
Love is something  
That is so divine  
Love is a feeling  
That's a friend of mine  
It can't be measured by no sign  
In your heart or even in your mind

About love  
Love is as bright  
As the morning sun
