You make
Me feel
So good, loving me
And you turn around and
Shamed my name

All I can say is la-la-laaaa you, baby

Good feeling(Listen yeah)

It's for you sure that I'm a man
Take the bread out of my hand
Now you wanna know how strong I am
All I can say
La-laaa laaaa laaa you babe

What's the use of giving out giving out giving in giving
in let 'em sin
Now you trying to be, you wanna be my friend

Yeah

I love you anyway no matter what my friends say
Oo baby, come with me
Oh yeah

I lalalala laaaaaa you
It's for sure that I'm a man, take the bread out of my
hand
Now you wanna know (wanna know) how strong I am

I'm gonna keep on (keep on) loving you (loving you) no
matter what my friends say and do
Trying to sleep, trying my find my way through

I get down on my knees
I beg you baby baby
Just lend a helping hand to me
Lalalalalala you
Yeaahah

Oo baby

Aww aww babe
Wanna know, I got to know
Yeah baby, baby, baby baby
Yeah
Yeah
