### Verse 1

Some times in our lives, we all have pain, we all have  
sorrow.

But, if we are wise, we know that there's always  
tomorrow.

### Chorus

Lean on me, when your not strong, and I'll be your  
friend,

I'll help you carry on.

For it won't be long, 'till I'm gonna need somebody to  
lean on.

### Verse 2

Please, swallow your pride,

If I have made, you need to borrow.

For no one can feel those of your

Needs, that you won't let show.

### Hook

You just call on your brother when you need a hand,

We all need somebody to lean on.

I just might have a problem that you'll understand, we  
all need some body to lean on.

### Chorus

### Hook

### Verse 3

If, there is a load, that you have to bear, that you can't  
carry,

I'm right up the road, I'll share your load, if you just call  
me.

Call me (14 x's)
