Yeah

Now that you're here with me  
I want to keep you free  
To do the things that you want to do  
The joy in life is loving you  
But now the day has come  
To let you know where I'm coming from, yeah

The best of my years will go to you  
It's the only thing that I can do  
But these things don't come overnight  
Lovin' you baby, and I think I'm right  
Let me say before I forget  
Lovin' you baby, it's where it's at, yeah

Ya baby, look what you done for me  
Ya baby, you set my heart free  
Oh, but I feel, ya  
I feel, ya

Sometimes I wanna leave, but then I say  
It wouldn't make sense at all anyway

Forgive me baby, if I do wrong  
I haven't been a true man for so long  
Let be say before I forget  
Lovin' you baby, it's where it's at, yeah

Ya baby, look what you done for me  
Ya baby, you set my heart free, hey

Baby, do you wanna, do the thing that you oughta  
You've been very good for me  
And that's a fact, I say

Ya baby, look what you done for me  
Ya ya, you set my heart free  
Oh, no matter, baby what you done for me  
I got the feelin' that it's gonna, yeah

Ya, look what you done for me

Ya baby baby, you set my heart free
