All my life I'll spend it with you  
All of my days will be for loving you  
Each and every night for the rest of my life  
I'd be steadfast, unmovable, unshakable

All my life I'll spend it with you  
All my days will be for loving you, one more time  
Each and every night for the rest of my life  
Will be steadfast, unmovable, unshakable

You're one in a million  
(One in a million, one is a million)  
A million to one  
And you're one in a million  
(One in a million, one is a million)  
I love you, baby

Oh, each and every night for the rest of my life  
I feel steadfast, unmovable, unshakable

All my life, all my days I'll spend with you  
All of my days, sweet baby, I'll spend loving you  
Each and every night for the rest of my life  
I'll be steadfast, unmovable, unshakable

You're one  
(One in a million, one is a million)

In a million, a million to one  
You're one  
(One in a million, one is a million)  
In a million, baby

(One in a million, one is a million)  
In a million, a million to one  
(One in a million, one is a million)  
In a million, yeah, yeah, yeah

You'll play the part  
It's hard to get  
You blowing my mind  
You blowing my mind

I will never, never, never, never, never play

You're one  
(One in a million, one is a million)  
In a million, a million to one  
You're one  
(One in a million, one is a million)  
(That's what you are)

Oh baby, you are a  
(One in a million, one is a million)  
(One in a million, one is a million)  
(That's what you are)

(One in a million, one is a million)  
I love you, baby, I love you  
(One in a million, one is a million)
