Al Green
"Oh Me Oh My (Dreams In My Arms)"

I had a dream
Thinking that you were gone
Leaving me on my own

And you, you was there
In some other's arms
Giving away all my charms

And when I awake
I want to hear you
Filling my life with cheer

And when I come back
You won't be alone
'Cause I'll be at home

Sayin', ?Oh, me, oh, my?
Dreams in my arms
With you at home with me

I'm so relaxed
It was only a dream

Sayin', ?Oh, me, oh, my?
Dreams in my arms
Is all I have to hold

Since you've been gone, I'm through

Baby, I can be some help to you
Help me to help me sing

Oh, me, oh, my
Dreams in my arms
Ever since you been gone
Is all I'm glad, it's only a dream

Let me say one thing
Oh, me, oh, my
Dreams in my arms
Is all I have to hold
Since you've been gone

Come on back home
Sometimes I dream
About you, baby

Oh, me, oh, my
Dreams in my arms
Ever since you been gone
