Visit "[Wait For Me](#)" on MotoLyrics.com

Darling did you know that I, I dream about you
Waiting for the look in your eyes, when we meet for the
first time
Darling did you know that I, I pray about you
praying that you will hold on, and keep your loving eyes
only for me

Chorus

'Cause I am waiting for, praying for you darling
Wait for me to, wait for me as I wait for you
(2x's)

Darling did you know that I dream about life together,
knowing you will be forever I'll be yours and you'll be
mine
And darling when I say, "'Til death do us part", I'll
mean it with all of my heart,
Now and always faithful to you

Chorus

Bridge

Now I know you may have made mistakes, but there's
forgiveness
and a second chance, So wait for me, darling wait for
me, wait for me, wait for me

Chorus
