Lay it down, lay it down, lay it down
Put your head on the floor
Lay it down, lay it down, lay it down

I just met you, just the other day
Everythin' started flowin' my way,
more an' more
I just love you, really, I just love you for yourself
I don't want no, no, no, no, no, no, nobody else

Hey, lay it down, let it go, fall in love
Put your head on the floor
Oh, lay it down, let it go, fall in love

One more thing, your love is a wonder to me
I just love you, really, I would really love you for free
All I want to do, all I don't
I don't want you to change your mind, baby
I'll love you, baby, in your own time

Lay it down, let it go, fall in love
Lay your body
Lay it down, let it go, fall in love
Lay it down, let it go, fall in love
Lay it down, let it go, fall in love, oh yeah

I said I love, you see I love you for myself
Got everything I need, everything I need, ooh yeah,
ooh yeah
Baby, since I start holdin' your hand
I never seen, I never seen such a smilin' man,
yeah

You made me happy, baby
And I almost, almost at the door
When I see you, I wanna love you more
And more and more and oh

Lay it down, let it go, fall in love
Lay it down, let it go, fall in love
Lay it down, let it go, fall in love
Lay it down, let it go, fall in love

Lay it down, let it go, fall in love
Lay it down, let it go, fall in love
Lay it down, let it go, fall in love
Lay it down, let it go, fall in love
