Let's Dance

I can see

Out on the floor is jumpin'
And I've got to find me something
Or someone to have a little fun
We don't have to leave together
I'm not lookin' for forever
But you will be before I'm done

If you don't wanna dance
Tell me what you came to do (What you came to do)
You've been staring at me
And I've been watching you
DJ's playin' my song and I like the way you move
Get you back up off the wall
Dance

Dance
I can see you wanna dance
Baby won't you take a chance
You don't have to be afraid of me
Just dance
What you waitin' for let's dance
Baby this could be romance
Get up on this floor and dance with me
Just dance
Get you back up off the wall
Dance, come on
Get you back up off the wall
Dance

I'm tired of all this waitin'
I'm sick of anticipatin'
I don't care who or what's around
No, I won't try to hide it
Why would I try to fight it
I want you body here and now

And how I wish that you could see

The things you do to me
The way you move your body turns me on
I try to fight but I know that I can't hide
The way you're making me feel

If you don't wanna dance
Tell me what you came to do (What you came to do)
You've been staring at me
And I've been watching you (I've been watching you)
DJ's playing my song and I like the way you move
Get you back up off the wall
Dance

Dance
I can see you wanna dance
Baby won't you take a chance
You don't have to be afraid of me
Just Dance
What you waitin' for let's dance (come on, come on)
Baby this could be romance
Get up on this floor and dance with me
Just Dance
Get you back up off the wall
Dance, come on
Get you back up off the wall
Dance

If you don't wanna dance
Tell me what you came to do
Dance, come on
Get your back up off the wall
Dance

I can see you wanna dance

If you don't wanna dance
Tell me what you came to do
Dance (Came to do)
Wanna take a chance (The things you do to me)
I can see you wanna dance
What you waitin' for let's dance
Come on
Baby this could be romance
Come on
The way you're makin' me feel
Get your back up off the wall
I can see you wanna dance
Baby won't you take a chance
You don't have to be afraid of me
Just dance
Get your back up off the wall
