You trip me out
All the things you put me through
I never thought I'd have to try so hard
To please you
But I'm gonna be me
I'm not gonna walk in her shadow
But it seems like that's not good enough for you

You want a girl whose like your ex
Someone who does all that you ask
Baby stop
Don't compare me (Compare me)
Cause I'm not like her
So lose your off mentality (Off yeah)
Realize i'm just gonna be me
Baby don't lose your mind
Cause I'm not like her

I do all I can
Even though your stuck on her
Never thought that I'd be second choice
Cause I'm your girl
So take me for me
I'm not gonna give you love in vain
Baby won't you stop comparing me

You want a girl whose like your ex
Someone who does all that you ask
Baby stop (Stop)
Don't compare me
Cause I'm not like her (Like her)
So lose your off mentality
Realize I'm just gonna be me
Baby don't lose your mind (Lose your mind)
Cause i'm not like her

No matter what I do or say
It never comes out right
Cause all you see is her
And that ain't righ (That ain't right)
Where was she when you were broken hearted and in

pain
She was nowhere to be found
But I was there
And now who cares
Cause you want

You want a girl whose like your ex (Like your ex)
Someone who does all that you ask
Baby stop
Don't comeare me (Don't)
Cause i'm not like her
So lose your off mentality
Realize I'm just gonna be me
Baby don't lose your mind
Cause I'm not like her

You want a girl whose like your ex
Someone who does all that you ask
(I'm not the one boy I'm not like your ex)
Baby Stop
Don't compare me
(Not like her) Cause I'm not like her
(Lose your mentality) So lose your off mentality
Realize I'm just gonna be me (I'm gonna be me)
Baby don't lose your mind
Boy I'm not like her

You want a girl whose like your ex
Someone who does all that you ask
Baby Stop
Don't compare me
Cause I'm not like her
So lose your off mentality
Realize I'm just gonna be me
Baby don't lose your mind
Cause I'm not like her
