It's too late now cause I'm over you

It's too late now cause I'm over you

I never thought, it would be  
You on the phone, calling me  
Trying to see if you could be my boyfriend (Once  
again)  
Apologize for all you've done (Done)  
Tell me I'm the only one (One)  
Baby boy it's been too long  
See I've been moving on

But if you (Ask me that two months ago)  
Then I'd probably woulda (Gave you what you're  
looking for)  
Gave you what you're looking for  
I'm not blind baby I can see  
I can see that I, I don't need you anymore (Anymore)  
It's time for you to go

If I had a dollar for every lie (Every lie)  
Everytime you made me cry  
I'd move myself (Far away from you)  
If you coulda just told the truth  
Then we'd probably still be cool  
It's too late now  
Now I'm over you

Yeah it's true you had my heart (Heart)  
Before you tore it all apart (Part)  
I was livin' in the dark (Oh I was missin' you)  
But if you knew how i feel  
You would know the deal  
And understand why this could never ever be

But if you (Ask me that two months ago)  
Then I probably woulda (Gave you what you're looking  
for)  
Looking for Looking for  
I'm not blind baby I can see

I can see that I, I don't need you anymore (Anymore)  
It's time for you to go

If I had a dollar for every lie (Every lie)  
Everytime you made me cry (Me cry)  
I'd move myself (Far away from you)  
If you coulda just told the truth (Told the truth)  
Then we'd probably still be cool  
It's too late now  
Now I'm over you

Had a good thing and let it go  
Now you wish you could come back home  
Have it like you had it before  
But love don't live here anymore  
I was blind boy but now I see  
You weren't the best thing for me  
I don't need you anymore  
I've been moving on

If I had a dollar for every lie (Every lie)  
Everytime you made my cry (Made me cry)  
I'd move myself (Far away from you)  
If you coulda just told the truth (Told the truth)  
Then we'd probably still be cool (be cool)  
It's too late now  
Now I'm over you

If I had a dollar for every lie  
Everytime you made my cry (Everytime you made me  
cry)  
I'd move myself (Far away from you)  
If you coulda just told the truth (Cause you never tell  
me the truth)  
Then we'd probably still be cool  
It's too late now  
Now I'm over you
