"Chances"

Visit "[Chances](#)" on MotoLyrics.com

Take all your chances while you can
You never know when they'll pass you by
Like a sum the mathematician cannot solve
Like me trying my hardest to explain

It's all about your cries and kisses
Those first steps that I can't calculate
I need some more of you to take me over
Take me over

If I had the chance to start again
Then you would be the one I'd come and find
Like a poster of Berlin on my wall
Maybe there's a chance our walls might fall

It's all about your cries and kisses
Those first steps that I can't calculate
I need some more of you to take me over

It's all about your cries and kisses
Those first steps that I can't calculate
I need some more of you to take me over

I know I'd be 'cause I can't calculate how to respect you
How to start again
How to start again
How to start again

It's all about you
