Some people live for the fortune  
Some people live for the fame  
Some people live for the power  
Some people live to play the game  
Some people think that the physical things define  
what's within  
I've been there before  
That life's a bore  
So full of the superficial

Some people want it all but I don't want nothing at all if  
it ain't you baby  
If I ain't got you baby  
Some people want diamond rings  
Some just want everything but everything means  
nothing if I ain't got you

Some people search for a fountain that promises  
forever young  
Some people need 3 dozen roses  
And that's the only way to prove you love her  
Hand me the world on a silver platter  
And what good would it be with no one to share  
No one who truly cares for me

Some people want it all but I don't want nothing at all if  
it ain't you baby  
If I ain't got you baby  
Some people want diamond rings  
Some just want everything but everything means  
nothing if I ain't got you

Some people want it all but I don't want nothing at all if  
it ain't you baby  
If I ain't got you baby  
Some people want diamond rings  
Some just want everything but everything means  
nothing if I ain't got you
