Tell me something I don't know 'cause we've been  
there 10 times before  
Make it up as we go along  
In so deep it can't be wrong  
It's obvious that

This is modern mafia  
They're scared of us  
They're scared of us  
It's time for us to redefine so fix your eyes  
Yeah  
Fix your eyes

'Cause this is modern mafia  
They're scared of us  
They're scared of us  
I don't want to be on my own  
I need a home  
I need a home

There's a look in your eye  
Dancing like a samurai  
In silence you're still listening  
'Cause somewhere something's happening  
It's obvious that

This is modern mafia  
They're scared of us  
They're scared of us  
It's time for us to redefine so fix your eyes  
Yeah  
Fix your eyes

'Cause this is modern mafia  
They're scared of us  
They're scared of us  
I don't want to be on my own  
I need a home  
I need a home

This is modern mafia

They're scared of us  
They're scared of us  
It's time for us to redefine so fix your eyes  
Yeah  
Fix your eyes

'Cause this is modern mafia  
They're scared of us  
They're scared of us  
I don't want to be on my own  
I need a home  
I need a home

'Cause this is modern mafia  
They're scared of us  
They're scared of us  
It's time for us to redefine so fix your eyes  
Yeah  
Fix your eyes
