After the lights go down low  
Baby, you'll know  
There'll be no reason  
For teasing me so

And when the dancing is through  
And folks will be few  
I'll be here sitting  
With no one but you

And I'll be needing you so  
After the lights go down low

I wanna hold you and squeeze you  
As tight as I can  
I wanna kiss you and please you  
And make you understand

And when you thrill me  
You fill me with love so divine  
Together, we can have a good time

When the lights go down low  
Ah, baby, you'll know  
There'll be no reason  
For teasing me so

And we can cuddle up near  
Uh uh, without any fear  
Cause I've got some sweet talk  
That you want to hear

And I'll be needing you so  
After the lights go down low

And I'll be needing you so  
After the lights go down low  
And I'll be needing you so  
After the lights go down low
