Won't you stop and take a little time out with me, just
take five;
Stop your busy day and take the time out to see I'm
alive.

Though I'm going out of my way,
Just so I can pass by each day,
Not a single word do we say,
It's a pantomime and not a play

Still I know our eyes often meet,
I feel tingles down to my feet,
When you smile that's much too discrete,
Sends me on my way.

Wouldn't it be better not to be so polite, you could offer
a light;
Start a little conversation now, it's alright, just take five,
just take
Five.
