Chant:

We need a think tank I'm thinking
We need a think tank I'm thinking

Verse 1:

With tender smile, we bless a child
With love and light, and patron saint.
Don't let them cry, that we denied
Tomorrow's child today.

Verse 2:

The hurt, the need, to heal, to feed
They linger near the marketplace.
Will we deny, or compromise
Tomorrow's child today?

Pre-chorus:

La la la la la la la ley lu, La la lee lew-lay
Mama loves a mambo, Mama Papa sway
La la la la la la la ley lu, La la lee lew-lay
Mama Papa thinkin' 'bout tomorrow today

Verse 3:

As rivers roar, the eagles soar
This ancient lore of rightful place.
Do we ignore, or save them for
Tomorrow's child today?

Pre-chorus:

La la la la la la la ley lu, La la lee lew-lay
Mama loves a mambo, Mama Papa sway
La la la la la la la ley lu, La la lee lew-ay
Mama Papa thinkin' 'bout:

Chorus:

Tomorrow today---Is anybody thinkin' 'bout
Tomorrow today---Is anybody thinkin' 'bout

Verse: Instrumental

Pre-chorus:

La la la la la la la ley lu, La la lee lew-lay
Mama loves mambo, Mama Papa sway
La la la la la la la ley lu, La la lee lew-lay
Celebrate and think about:

Chorus:

Tomorrow Today - Is anybody thinkin' 'bout
Tomorrow Today - Is anybody thinkin' 'bout
Thinkin' about the homeless - Is anybody thinkin' 'bout
Thinkin' about the joblessness - Is anybody thinkin'
'bout
Thinkin' about the children - Is anybody thinkin' 'bout
Thinkin' about the forest, yes - Is anybody thinkin' 'bout
