Last night I had a dream that the world Was changing by leaps and bounds It started up in the bigger cities Than it spread to the smaller towns

The people began to smile at people That they $\hat{A} \notin \hat{A} \notin \hat{A}^{\text{TM}}$ d never even seen And when Jeremiah woke me up I was ready to live that dream

Well, itâ€Â™s a brand new day Brand new way, brand new day Give it to me, alright

You know the mother called the father on the telephone She cried, "My God $I\tilde{A} \Leftrightarrow \hat{A}^{\text{TM}} = 0$ m so upset" She said the boy left home naked this morning All he took was the TV set

Than the sister picked up the extension And she said, $\tilde{A} \notin \hat{A} \in \hat{A} \oplus \hat{A} \in \hat{A}^{\text{TM}} s$ just doing his thing $\tilde{A} \notin \hat{A} \in \hat{A} \oplus \hat{A} = \hat{A} \oplus \hat{A} \oplus$

Well, itâ€Â™s a brand new day, yes A brand new way, brand new day

We gotta put our heads together And see where we go from there We gotta fight for what we believe in 'Cause there $\hat{A} \notin \hat{A} \in \hat{A}^{m}$'s something in the air

And itâ€Â™s a brand new day, that's right Brand new way, brand new day I can feel it growing stronger every minute now

Twenty million shadows storming at the gates Now how can you be surprised? With the image of the fallen four reflected in their eyes

And though twenty million tongues are shouting now

It's only heard by a precious few But the years of night will pass forever When the sun comes shining through

On a brand new day Brand new way, yes, a brand new day

Hey people, you know that it's a brand new day Brand new way, brand new way you're walking Brand new day, yes, a brand new way Go ahead now

And it's alright, yes, it's alright And it's alright now, it's alright And it's alright, yes, it's alright And it's alright
