One of these days and it won't be long,
You're gonna look for me and I'll be gone
'Cause I believe (I believe, yes I believe)
I say I believe right now (I believe, yes I believe)
Well I believe to my soul now,
Tryin' to make a fool of me (I believe it, I believe it)

Well you're goin' 'round here with your head so hard,
I think I'm gonna have to use my rod
'Cause I believe (I believe, yes I believe)
I say I believe right now (I believe, yes I believe)

Well I believe to my soul now
Tryin' to make a fool of me (I believe it, I believe it)

Last night you were dreaming and I heard you say
"Oh, Johnny" when you know my name is Ray
That's why I believe right now (I believe, yes I believe)
I say I believe right now (I believe, yes I believe)
Whoa I believe to my soul now
Tryin' to make a fool of me (I believe it)
