Got to change,  
This life's a ball  
You might just get what your askin for  
I said before that I spoke the truth  
I thank you for your paper trail of proof  
Time will reveal how the righteous wrong!  
How they conceal with a forked tongue  
Cherish the words of the dying man  
Ahhhhhhh!  
Them fools compromise themselves  
Greener grass so unearth the hells  
Happiness is not a pill  
When damage is done, you should not grieve  
The door his ya ass when you leave  
Time will reveal how the righteous wrong!  
How they conceal with a forked tongue  
Cherish the words of the dying man  
Ahhhhhhh!  
Them fools compromise themselves!  
And you know just whne you've hit the bottom when the  
children forget your name  
(Guitar solo! )  
Got to change for what's in store  
God knows we all are deserving more  
I said before that I spoke the truth  
I thank you for your paper trail of proof!  
Time will reveal how the righteous wrong!  
How they conceal with a forked tongue  
Cherish the words of the dying man  
Ahhhhhhh!  
Them fools compromise themselves  
(Guitar solo! )
