Visit "[Last Kiss](#)" on MotoLyrics.com

Desert has called out my name
I should go out there again
So why could hear somebody pray
And prayers will follow me
[Arabic]
Chorus:
Would you carry me
Faithfully, over the seas
Ill open the sky
To kiss you goodbye
Fly-y-y!
You gave up a new sacrifice
You wanted to be with the stars
So no one can read in your eyes
But have you said all your goodbyes?
[Arabic]
Chorus:
Would you carry me (carry me)
Faithfully (faithfully)
Over the seas
Ill open the sky
To kiss you goodbye
Fly-y-y
[Vocalizing]
[Chorus 3 times]
Kiss you goodbye
Fly-y-y-y
