(aladin)

I can show you the world  
shining shimmering splended  
tell me princess now when did you last let your heart  
deside?

I can open your eyes  
take you wonder by wonder  
over sideways and under... on a magic carpent ride

A whole new world  
a new fanatstic point of view  
no one to tell us no.. or where to go.. or say we're only  
dreaming

(jasmine)

A whole new world  
a dasling place i never knew  
but when i'm way up here it's crystal clear  
that now i meet a whole new world with you

Unbelievable sites indescribable feelings  
soring tumbly grew wealing through an endless  
diamond sky

A whole new world!

(aladin)

Don't you dare close your eyes

(jasmine)

A hundred thousand things to see

(both)

i'm like a shooting star... I'll come so far...

(jasmine)

I can't go back to were I used to be

(aladin)

A whole new world! With new horizons to pursue

(both)

I'll chase them everywhere there's time to spare

(aladin)

Let me share this whole new world with you

(jasmine)

A whole new world!

(aladin)

A whole new world... A new fantastic point of view

(both)

No one to tell us no... or where to go

(jasmine)

Or say we're only dreaming

(aladin)

A whole new world!

(jasmine)

Every turn a sunrise

(aladin)

With new horizons to pursue

(jasmine)

Every moment together

(both)

I'll chase them anywhere, there's time to spare

(jasmine)

Anywhere

(aladin)

There's time to spare

(jasmine)

Let me share...

(aladin)

This whole new world with you...

(jasmine)

A whole new world...

(aladin)

A whole new world...

(jasmine)  
That's where we'll be

(aladin)  
Where we will be

(jasmine)  
Our thrilling chase

(aladin)  
On one destinase

(both)  
For you and me...  
(te amo lorena!)
