George Strait

I take off time to time  
With those crazy friends of mine  
Head out on steel horses  
With wheels and we ride  
We burn up that road  
To old Mexico  
Blend in with the desert  
Just we amigos  
And we roll.

Chorus:

Cowboys like us sure do have fun  
Racing the wind chasing the sun  
Take the long way around back to square one  
Today we're just outlaws out on the run  
There'll be no regrets no worries and such  
Cowboys like us.

We talk about living, babies and women  
All that we've lost and all we've been given  
We sing about true love, lie about things we ain't done  
We drink one more cold one, come morning we get up  
And we roll.

Cowboys like us sure do have fun  
Racing the wind, chasing the sun  
Take the long way around back to square one  
Today we're just outlaws out on the run  
There'll be no regrets, no worries and such  
For cowboys like us.

Cowboys like us sure do have fun  
Racing the wind, chasing the sun  
Take the long way around back to square one  
Today we're just outlaws out on the run  
There'll be no regrets, no worries and such  
For cowboys like us.

Cowboys like us...
