Ask me any kind of question  
Anything you want to know  
Tell you all about my lovers  
Heartaches and laughter from a long time ago

And ask me if I'm finally happy?  
Never really been before  
Ever since you happened to me  
I've told all my secrets, I don't have any more

Ask me now and I won't tell a lie  
Ask me how I've been feeling inside?  
When somebody loves you  
And you know that it's true, don't ask why?

Ask me if I really mean it?  
When I tell you, I love you  
Ask me will I please repeat it?  
I'll tell you forever if you want

And ask me now and I won't tell a lie  
Ask me how I've been feeling inside?  
When somebody loves you  
And you know that it's true, don't ask why?

No, don't ask why?
