I just came down from Chippewa  
Had a station wagon and a hundred dollars  
Thinking about the girl I'd lost a year before  
I hadn't seen her for some time  
Thought I might go on by when your memory came  
flooding in and you closed that door.

Wish it was a freight train baby  
Wish it was a diesel locomotive  
I'd come whistling down your track crashing in your  
door.

Wish it was a freight train baby  
Wish it didn't have a heart  
You need a shovel for the coal just to get me started  
Wish it was a freight train baby  
Wish it was a freight train baby  
Wish it was a freight train.

Well every time I talk to you I hear your jealous lines  
I feel like I've been left abandoned on some old railway  
side  
And every time I hear your voice my water just gets  
cold  
My stoker will not stoke and my boiler will not boil.

Wish it was a freight train baby  
Wish it was a diesel locomotive  
I'd come whistling down your track crashing in your  
door.  
Wish it was a freight train baby  
Wish it didn't have a heart  
You need a shovel for the coal just to get me started  
Wish it was a freight train baby  
Wish it was a freight train baby

Wish it was a freight train.

Well every time I fell behind I could not get ahead  
I wish someone would pull the lever and give me a little  
sand  
And every time I slip behind even further back  
I wish some switch man would come out of the fog and

change my track.

Wish it was a freight train baby  
Wish it was a diesel locomotive  
I'd come whistling down your track crashing in your  
door.

Wish it was a freight train baby  
Wish it didnt have a heart  
You need a shovel for the coal just to get me started  
Wish it was a freight train baby  
Wish it was a freight train baby  
Wish it was a freight train.

Wish it was a freight train baby  
Wish it was a diesel locomotive  
I'd come whistling down your track crashing in your  
door.  
Wish it was a freight train baby  
Wish it didnt have a heart  
You need a shovel for the coal just to get me started  
Wish it was a freight train baby  
Wish it was a freight train baby  
Wish it was a freight train.
