I could get used to this lovin' thing  
The way you call my name in love's embrace  
I could get use to you everyday  
And your tender ways, I kinda like this lovin' thing

I've had romance a time or two  
Infatuation then I found you  
I've had 'em steal my heart and run  
And that ain't fun for anyone

I could get used to this lovin' thing  
The way you call my name in love's embrace  
I could get use to you everyday  
And your tender ways, I kinda like this lovin' thing

I like the way you make me feel  
And what I feel feels like it's real  
I never once said I love you  
Until I felt the one that's true

Yeah, I could get used to this lovin' thing  
The way you call my name in love's embrace  
I could get use to you everyday  
And your tender ways, I kinda like this lovin' thing

Yeah, I could get used to this lovin' thing  
The way you call my name in love's embrace  
I could get use to you everyday  
And your tender ways, I kinda like this lovin' thing

Yeah, I could get use to you everyday  
And those tender ways, I kinda like this lovin' thing
