If I surveyed all the good things  
That come to me from above  
If I count all the blessings  
From the storehouse of love

I'd simply ask for the favor  
Of him beyond mortal king  
And I'm sure  
That he'd grant it again

I want to stroll over Heaven  
With you some glad day  
When all our troubles and heartaches  
Are vanished away

Then we'll enjoy the beauty  
Where all things are new  
I want to stroll over Heaven  
With you

So many places of beauty  
We long to see here below  
But time and treasures have kept us  
From making plans as you know

But come the morning of the rapture  
Together we'll stand a new  
While I stroll over Heaven  
With you

I want to stroll over Heaven  
With you some glad day  
When all our troubles and heartaches  
Are vanished away

Then we'll enjoy the beauty  
Where all things are new  
I want to stroll over Heaven  
With you

I want to stroll over Heaven  
With you
