Has it been ten years since we said, "I do"?
I've always heard marriage made one seem like two
But you're looking better than you did back then
You still make this old heart give in

And if I had it to do all over
I'd do it all over again
If tomorrow I found one more chance to begin
I'd love you all over again

The preacher man said, "Till death do us part"

That seemed like forever to a young man's heart
Now the days seem much shorter, the longer we love
And the memories just keep adding up

And if I had it to do all over
I'd do it all over again
If tomorrow I found one more chance to begin
I'd love you all over again

If tomorrow I found one more chance to begin
I'd love you all over again
