The sun is hot and that old clock is movin' slow

And so am I

The workday passes like molasses in wintertime

But it's July

I'm gettin' paid by the hour and older by the minute

My boss just pushed me over the limit

I'd like to call it somethin'

I think I'll just call it a day

Chorus

Pour me somethin' tall and strong

Make it a hurricane before I go insane

It's only half past twelve but I don't care

It's 5 O'clock somewhere

This lunch break is gonna take all afternoon

half the night

Tomorrow morning I know they'll be hell to pay

Hey, but that's alright

I ain't had a day off now in over a year

My Jamican vacation's gonna start right here

Get the phones for me

You can tell 'em I just sailed away

Chorus

Pour me somethin' tall and strong

Make it a hurricane before I go insane

It's only half past twelve but I don't care

It's 5 O'clock somewhere

I could pay off my tab

Pour myself in a cab

And be back to work before 2

At a moment like this

I can't help but wonder

What would Jimmy Buffet do?

Jimmy Buffet

Funny you should ask that

I'd say

Pour me somethin' tall and strong

Make it a hurricane before I go insane

It's only half past twelve but I don't care

Jimmy buffett and Alan Jackson together

Pour me somethin' tall and strong

Make it a hurricane before I go insane

It's only half past twelve but I don't care

Alan Jackson: He don't care... I don't care

It's five o'clock somewhere

Jimmy Buffett

What time zone am I on?

What country am I in?

Alan Jackson

It doesn't matter, it's five o'clock somewhere

Jimmy Buffett

It's always on 5 in margarittaville come to think of it

Alan Jackson

I heard that

Jimmy Buffett

You've been to there haven't ya?

Alan Jackson

Yes sir.

Jimmy Buffett

I seen your boat there

Alan Jackson

I've been to margaritaville a few times

Jimmy Buffett

Alright, well that's good.

Alan Jackson

I'm on my way back.

Jimmy Buffett

Well alright, I just wanna make sure you can keep it between
the navigational beacon.

Alright, well it's five o'clock, let's go somewhere.

Alan Jackson

I'm ready, crank it up.

Jimmy Buffett

Let's get outta here

Alan Jackson

I'm gone

Jimmy Buffett

Let's get outta here.
