I like my steak well done, my taters fried
Football games on Monday night
It's just who I am
A meat and potato man

I like my coffee black
Old TV shows
My women hot and my beer ice cold
It's just who I am
A meat and potato man

I don't like caviar, sushi bars,
The IRS or phony stars
I'm a Haggard fan
A meat and potato man

I like my fishin' holes, lightnin' bugs
Flatt & Scruggs, and my woman's love
It's just who I am
A meat and potato man

I like my wrangler jeans, cowboy boots
Cornbread and beans and country roots
It's just who I am
A meat and potato man

I don't like politics, hypocrites
Folks with poodles dressed like kids
I'm a hounddog fan
A meat and potato man
Eah, that's what I am,
A meat and potato man.
