Girl, I swear you
Got me acting crazy
Half the time
I don't know
What my name is
I'm the kind
Who like
To take it slow
And lazy
Girl, yo ugot me
Runnin' hot and hazy

[Chorus:]

Oh, I love you like I never
Oh, I love you like I never
Oh, I love you like I never
Loved before

Boy
You got me runnin'
Like a rocket
You stole my heart
And stuck
It in your pocket
And now
I got your face
Inside my locket
I really tried
But I dont think
I can stop it baby

[Chorus]

You sat beside me
Last night on the sofa
I took your hand
And pulled you
Little closer
You kissed my lips
And then you
Let me hold yah
That feels the way

That loves supposed
To feel baby

[Chorus]

You held the door
When we went to the movies
I like your quirky
Sneaky sense of humor
Your strong and sweet
And all the things I needed
You're the one that keeps
My heart a beatin'

[Chorus]

Oh
My heart starts beatin'
When it's time
For you to leave me

Yah, my heart
Starts spinnin'

Every time
That you're near me

[Chorus]
