Jimmy Buffett

South of Oklahoma, east of New Mexico
West of Louisiana where all them cajuns go
Well, we gotta a little place called Texas
Where the women grow on trees
They're right there for the pickin' just as easy as you
please

Chorus:

You better run, take hold
You're gonna get young 'fore you get old
And them Texas women is Texas gold
With kisses that are sweeter than cactus.

Now north of Amarillo, east of Old Dime Box
You can find your Cinderella or a genuine Goldilocks
And if ya don't like love attachments, if your taste in
women is strange
Then go on and spend your money, boys, down in old
La Grange.

And you better tell it to the world
You want to get a Lone Star girl
With her cast iron curls
And her aluminum dimple
And it's so simple.

--- Instrumental ---

Chorus:

You better run, take hold
You're gonna get young before you get old
And them Texas women is Texas gold
With kisses that are sweeter than cactus.

Now north of Waxahachie, east of Old Cowtown
Them Dallas women standin' up beat the others lyin'
down
Well, God bless the Trinity River and any man who is
unaware

Of the northeast Texas women with their cotton candy
hair.

And you better tell it to the world
You want to get a Lone Star girl
With her cast iron curls
And her aluminum dimple
And it's so simple.
