You found your greener pastures in a mansion on a hill
with a flashy foreign car to drive and lots of time to kill,
but my mind goes on remembering the days of me and
you,
when we were down to nothing, nothing sure looked
good on you.

You said you needed simple things that I had plenty of
and through the days of dark and lean, we could
always live on love.
With his style of life he lured you, and you could not
refuse,
but when we were down to nothing, nothing sure
looked good on you.

When you honeymooned in Paris, it was carried on the
news.
And I heard you laughed your cares away on a
Caribbean cruise.

You were always one for dreaming, now you're dreams
can all come true,
but when we were down to nothing, nothing sure
looked good on you.

You said you needed simple things that I had plenty of,
and through the days of dark and lean, we could
always live on love.
With his style of life, he lured you, and you could not
refuse,
but when we were down to nothing, nothing sure
looked good on you.

Yes, when we were down to nothing, nothing sure
looked good on you.
