A willin' woman, a willin' man
A five room house and a weddin' band
Believers, believers
Once it begins, you know it don't take long
'Til you're like two people in a heartbreak song
And I wonder, I wonder

Well ain't it just like a woman
And ain't it just like a man
Chasin' a rainbow, looking for love
When it's right in the palm of your hand
When it's right in the palm of your hand

We can't take back those things we said
So we watch it pass in separate beds
Changing, we're changing
Too little love and too much pride
You won't give in and neither will I
Like children, children

Well ain't it just like a woman
And ain't it just like a man
Chasin' a rainbow, looking for love

When it's right in the palm of your hand
When it's right in the palm of your hand

Feet on the floor, holding my head
Sitting alone on the edge of the bed
I've been thinkin', thinkin'
Tryin' to find where we went wrong
I just turned around and you were gone
It's over, it's over

Well ain't it just like a woman
And ain't it just like a man
Chasin' a rainbow, looking for love
When it's right in the palm of your hand
When it's right in the palm of your hand

Hey, ain't it just like a woman
And ain't it just like a man

Chasin' a rainbow, looking for love
When it's right in the palm of your hand
When it's right in the palm of your hand
