She don't know she's beautiful  
She don't know she's beautiful  
Though time and time I've told her so  
- Sammy Kershaw, "She don't know she's beautiful"

No one can make me cry,  
Make me laugh,  
Make me smile,  
Or drive me mad like she does  
It's like the curse  
That is the cure  
Better or worse,  
One thing's for sure  
It's real love  
And I don't know what I'd do  
If I lost it  
- Kenny Chesney, "I Lost It"

Cause anywhere is paradise  
When you're with the one you love,  
Anywhere is a place that's nice  
When you're with the one you dream of,  
Anywhere is paradise  
When you're with a love that's true  
There's nowhere I'd rather be baby  
Than anywhere with you

Your heart and mine joined together  
Like hand and glove  
We already found our forever  
On earth as in heaven above  
So baby, anywhere will do for me  
For wherever in the world  
We'll ever be  
Will always be the land of love  
- Stefan Andersson, "Anywhere is Paradise"

I want to stand with you on  
A mountain  
I want to bathe with you in the sea  
I want to lay like this forever  
Until the sky falls down on me

- Savage Garden, "Truly, Madly, Deeply"
