She just started liking cheatin songs
And what's bothering me
I don't know if it's the cheatin' she likes
Or just the melody
I've never had any reason to doubt her
As far as I know she's been true
But lately she's had a different look in her eyes
I wonder if she's seein' somebody new

You can't blame a body for lookin'
When there's a world of people out there
But I hope she's not takin' any closer looks
I tell ya lately frankly I've been scared

Chorus:

Cuz she just started liking cheatin' songs
And what's bothering me
I don't know if it's the cheatin' she likes
Or just the melody

I've got to admit I do some looking too
But she's the only one I love
She still tells me she loves me
But I wonder if my love's enough

Chorus:

Cuz she just started liking cheatin' songs
And what's bothering me
I don't know if it's the cheatin' she likes
Or just the melody

Yeah she just started liking cheatin' songs
And what's bothering me
I don't know if it's the cheatin' she likes
Or just the melody

Yeah I don't know if it's the cheatin' she likes
Or just the melody
