She just started liking cheatin songs  
And what's bothering me  
I don't know if its the cheatin' she likes  
Or just the melody  
I've never had any reason to doubt her  
As far as I know she's been true  
But lately she's had a different look in her eyes  
I wonder if she's seein somebody new  
You can't blame a body for lookin  
When there's a world of people out there  
But I hope that she's not takin any closer looks  
I tell ya lately frankly I've been scared

Cause she just started liking cheatin' songs  
And what's bothering me  
I don't know if its the cheatin' she likes  
Or just the melody

I've got to admit I do some looking too  
But she's the only one I love  
She still tells me she loves me  
But I wonder if my love's enough

Cause she just started liking cheatin' songs  
And what's bothering me  
I don't know if its the cheatin' she likes  
Or just the melody  
Yeah she just started liking cheatin' songs  
And what's bothering me  
I don't know if its the cheatin' she likes  
Or just the melody  
Yeah I don't know if its the cheatin' she likes  
Or just the melody
