Well, I just took your picture off the table  
And I just took your picture off the wall  
I hide from you anywhere I'm able  
But there's one place I can't hide from you at all

Tennessee, you don't make the whiskey  
California, you don't make the wine  
Mexico, you don't make tequila  
Strong enough to get her off my mind

Memories seem to know just where to find me  
And lately they're all that I recall  
And everything in this old house reminds me  
Of the love I had and how I lost it all

Tennessee, you don't make the whiskey  
California, you don't make the wine  
Mexico, you don't make tequila  
Strong enough to get her off my mind

Days go by and I still feel the sorrow  
And time don't make a difference in the pain  
Just sitting here, waiting on tomorrow  
Will drive me crazy if I don't go insane

Tennessee, you don't make the whiskey  
California, you don't make the wine  
Mexico, you don't make tequila  
Strong enough to get her off my mind  
Strong enough to get her off my mind  
Strong enough to get her off my mind
