On the wrong end of the highway
When a long night has no end
When there's no one there beside me
Till I hold you once again

Thank God for the radio
When I'm on the road
When I'm far from home
An' feelin' blue

Thank God for the radio
Playin' all night long
Playin' all the songs that mean so much
To me and you

There's a song, that we first danced to
And there's a song, they played the night we met
And there's a song, we first made love to
That's a song, I'll never forget
So, thank God for the radio
When I'm on the road
When I'm far from home
And feelin' blue

Thank God for the radio
Playin' all night long
Playin' all the songs that mean so much
To me and you

Thank God for the radio
When I'm on the road
When I'm far from home
And feelin' blue

Thank God for the radio
Playin' all night long
Playin' all the songs that mean so much
To me and you
Playin' all the songs that mean so much
To me and you
Thank God for the radio
