Here comes a Baptist, here comes a Jew
There goes a Mormon and a Muslim too
I see a Buddhist and a Hindu
I see a Catholic and I see you

We're all god's children
We're all god's children
We're all god's children
Why can't we be
One big happy family

You like the day, and I like the night
He's into country and he's isn't quit
There's folks on the left and the far right
But that doesn't mean that we have to fight

We're all god's children
All god's children
Yeah, We're all god's children
Why can't we be
One big happy family

White folks, yellow folks, black and tan
On the same planet in the same plan
A feminist woman and a he man
We're all playin' the magic hand

We're all god's children
We're all god's children
Oh, We're all god's children
Why can't we be
One big happy family

We're all god's children
All god's children
Yeah, We're all god's children
Why can't we be
One big happy family

We're all god's children
All god's children
We're all god's children

Why can't we be
One big happy family

We're all god's children
We're all god's children
Yeah, We're all god's children
Why can't we be
One big happy family

We're all god's children
We're all god's children
We're all god's children

We're all, black and white
We're all precious in his sight

We're all god's children
We're all god's children
We're all god's children
Why can't we all be
One big happy family...
