(Alan Jackson)

Well, I have felt it and I have held it  
I have known a woman's love  
I have tasted and I have wasted  
A woman's love.

And I know I'll never understand  
All the little things that make it grand  
A woman's love  
And I know I'll never come face to face  
With any thing that takes the place  
Of a woman's love.

Well, I have kissed it, tried to resist it  
I have missed a woman's love  
And I have hated, taken for granted  
A woman's love.

And I know I'll never understand  
All the little things that make it grand  
A woman's love  
And I know I'll never come face to face  
With any thing that takes the place  
Of a woman's love.

--- Instrumental ---

Well I have needed and I have pleaded  
And I have lost a woman's love  
And I have worshipped and I have cursed it  
A woman's love.

And I know I'll never understand  
All the little things that make it grand  
A woman's love  
And I know I'll never come face to face  
With any thing that takes the place  
Of a woman's love.

Well, I adore it and thank God for it

A woman's love...
