(Alan Jackson)

I know you're leaving, I see the signs
You're gonna walk out on this heart of mine
You'll never call me, you'll never write
You made your mind up, you're gone tonight
If some rainy day you're all alone
You feel like talkin' you can log me on

At
I'll be waitin' for you patiently
If you feel the need, just click on me
At

You won't even have to hold me or
Look into my eyes
You can tell me you love me
Through your keyboard and wires
No, you won't have to touch me or
Even take my hand
Just slide your little mouse around
Until you see it land

At
I'll be waitin' for you patiently
If you feel the need, just click on me
At

If you feel like love, just click on me
