She don't love me no more

I remember our last night
Cruisin' in my ride
We were sitting in the car
She looked into my eyes

And said, "I love you"
(I love you, baby)
"I'm gonna miss you"
(Gonna miss you so much)

Now everything, it was cool
(Thing, cool)
But the 1st 2 weeks
(Call me on, on my phone)
(Said that she misses me)

Now it seems that as of late
She's always on the go
I know she's startin' another life
But lately I'm feeling like

Feel like she don't want, want me no more
Said I feel she don't need, need me no more
Said I really don't know the deal, as the days go by I
feel
That the one I love don't love, love me no more

Now don't you say I've got it wrong
(Don't you tell me I got it wrong)
'Cos when I call you on the phone
(You know how it is)

You're either asleep, you're not at home
Or you don't have time to talk
So why don'tchu tell me what's goin' on
'Cos you're breakin' my heart

And, girl, you act like you don't care
Tell me what is goin' on down there
And that I can't meet your new friends

I don't even know where you live

'Cos you won't even let me come
See you for the weekend, whoa, oh

Feel like she don't want, want me no more
Said I feel she don't need, need me no more
Said I really don't know the deal, as the days go by I
feel
That the one I love don't love, love me no more

Feel like she don't want, want me no more
Said I feel she don't need, need me no more
Said I really don't know the deal, as the days go by I
feel
That the one I love don't love, love me no more

What's goin' on with us, man?

Now I love that girl so much
It's gotten hard to letting her go
She's always on my mind all the time
Just last week I called her on the phone and I said

It's been too long
And I'm lost without you
What am I gonna do
Said I've been needing you, wanting you

Wondering if you're the same
And who's been with you
Is your heart still mine?
I wanna cry sometimes, I miss you

Feel like she don't want, want me no more
Said I feel she don't need, need me no more
Said I really don't know the deal, as the days go by I
feel
That the one I love don't love, love me no more

Feel like she don't want, want me no more
Said I feel she don't need, need me no more
Said I really don't know the deal, as the days go by I
feel
That the one I love don't love, love me no more

Feel like she don't want, want me no more
Said I feel she don't need, need me no more
Said I really don't know the deal, as the days go by I
feel
That the one I love don't love, love me no more
