it'll take at least a million years  
to give you everything that you give to me  
just to have a chance to call you mine  
means so damn much to me  
no one else could ever break this up  
i put that on the line (baby)  
i can't see me without you

i wear my heart on my sleeve and i don't care who sees  
i just wanna give you love  
through the storm, through the rain  
girl i swear i'll never change  
cos baby girl i'm so in love with you  
you can take everything cos it don't mean a thing  
if i don't have your love  
girl you are the one thing i can't lose  
i'm nothing without you

you make me wanna be a better man  
everyday i get up and go to work for you too  
be able to do all the things you like  
i just wanna please you  
flowers, cotton candy, diamond rings, shopping sprees  
will never add up to the love you give to me  
baby girl you're my baby (and i'll love you forever)

i wear my heart on my sleeve and i don't care who sees  
i just wanna give you love  
through the storm, through the rain  
girl i swear i'll never change  
cos baby girl i'm so in love with you  
you can take everything cos it don't mean a thing  
if i don't have your love  
girl you are the one thing i can't lose  
i'm nothing without you

i can't believe that i have you here with me  
it's clear that we were meant to be (oh)  
give you everything that you deserve and more  
(?)  
that i am nothing without you

if you really love somebody  
girl you make me say (do do do do do do do)  
cos you're the one i can't afford to lose  
cos i'm nothing without you

i wear my heart on my sleeve and i don't care who sees  
i just wanna give you love  
through the storm, through the rain  
girl i swear i'll never change  
cos baby girl i'm so in love with you  
you can take everything cos it don't mean a thing  
if i don't have your love  
girl you are the one thing i can't lose  
i'm nothing without you

i'm nothing without you baby
