*[Introducing ATL]*

*[Rap:]*

I'm the one you done heard all the rumors about  
You vibrate like my cellie how you movin around  
In that new gear fresh off the Lesiango runway  
Lets go to St.Barts Sunday to Sunday  
Your nails done and them braids all twisted  
If you got a flaw, i guess i just missed it  
I'm not easy to reach, my digits unlisted  
Come closer but dont stain with your lipstick

*[1st Verse:]*

Been around the world  
Seen so many girls  
But none have moved me quite the way she does  
And I've done some things  
With some qhetto queens  
It was just for fun but now I think I'm in love

I can't stop thinking 'bout her  
She's everywhere that i go does she know i just can't  
live without her  
Whoa she  
She's taking over me  
I can't control how she turns me on so much  
Without a single touch

*[Chorus:]*

Shorty your the one  
Your the only girl i need  
Only one i want  
Only girl thats meant for me  
Got me open  
Baby girl let me know  
If you wanna go

*[2nd Verse:]*

You're a winner so you gotta be choosy  
'Cause you can't love everybody  
I live my life like a movie  
Act like you know somebody

Gonna give you what you need babe  
Already told you you're the star of the t.v.  
There's nothing else you need to know  
So come on get on board

You're the one i'm diggin  
And i guess i'm hoping that you're catching the same  
feelings

Let me know  
'Cause you're my favorite girl  
In the whole wide world  
Yeah you're so fine  
I gotta make you mine

*[Chorus repeat]*

Let me say it again

You're the one i'm diggin  
And i guess i'm hoping that you're catching the same  
feelings  
Let me know  
Cuz you're my favorite girl  
In the whole wide world  
Yeah you're so fine  
I gotta make you mine

*[Rap:]*

Like rocky road my chain be all chunky  
High School thought that i failed since they flunked me  
Now i'm in XXL its so funny  
High Schools double my sales, i'm gettin money (get  
your money money money)  
Like my bunny's pretty with pierced tummy's  
Call me pooh bear how i'm baggin all the honeys  
They sick to the point that they noses gettin runny  
Y'all freeze on the ave.  
I recline where it's sunny

Can't stop thinking 'bout her  
She's everywhere that i go does she know i just can't  
live without her  
Whoa she  
She's taking over me  
I can't control how she turns me on so much  
Without a single touch

Bring that part back man

You're the one i'm diggin

And i guess I'm hoping that you're catching the same  
feelings  
Let me know  
'Cause you're my favorite girl  
In the whole wide world  
Yeah you're so fine  
I gotta make you mine

Da da da da da *[till end of song]*
