They may say that you're not worth it
But to me, girl, you're perfect and woo
Something about you speaks to me

Girl, you got it going on
You make me wanna write a song
Then go and sing it on the stage to show
The world that I'm amazed, ohh yeah

You are, you are, you're just what I've been wanting
You are, you are, you're such a freakin' woman
You are, you are everything I love
You are, you are, hey, you are, you are, hey

Ooh, you are you are the queen of the ghetto
You are, you are the one I'll never let go
You are, you are everything I love
You are, you are, hey, ooh, you are, you are whoa

You're the type of girl that makes a man proud
I love to hear you talkin' out loud and
(Out loud)
The many ways you wear your hair, girl, no one else
compares

Baby, you should be on tour, they should
Give you an award, Love Jones should have a sequel
'Cause your body moves a people whoa

You are, you are you're just what I've been wanting
You are, you are you're such a freakin' woman
You are, you are everything I love
You are, you are, hey, you are, you are, hey

Ooh, you are, you are the queen of the ghetto
You are, you are the one I'll never let go
You are you are everything I love
