I've given you sunshine  
I've given you dirt  
You've given me nothing  
But heartache and hurt  
I'm beggin' you sweetly  
I'm down on my knees  
Oh, please grow for me!

I've given you plant food  
And water to sip  
I've given you potash  
You've given me zip  
Oh God, how I missed you  
Oh pod, how you tease  
Now, please grow for me

I've given you southern exposure  
To get to the thrive  
I've pinched you back hard like I'm supposed to  
You're barely alive

I've tried you at levels of moisture  
From desert to mud  
I've given you grow-lights and mineral supplements  
What do you want from me, blood?

I've given you sunlight  
I've given you rain  
Looks like you're not happy  
'Less I open a vein  
I'll give you a few drops  
If that'll appease  
Now please, oh oh oh, please grow for me
